Dear Kansas Job's Daughters,

In preparation for next year we are again asking daughters to consider being a state HIKE coordinator. It is very helpful to the Grand Guardian, Associate Grand Guardian and the adult HIKE Coordinator when daughter HIKE committee members are appointed.

These individuals can render assistance in many ways. They can respond to questions that arise in our Kansas Bethels concerning HIKE. They can act as liaison between the daughters and the Bethel Guardian Councils, the Grand Guardian and/or the adult HIKE Coordinator.

We are looking for enthusiastic young ladies, who enjoy working for the good of HIKE, to apply for these committee appointments. Please take the time to apply by completing the enclosed application and forwarding it to Cindy Harwood, by May 1, 2010.

Job's Daughter love,

Renee Saylor

NOTE: Bethel Guardians, please make additional copies of the Application as needed.
